

# Timothy Steck's Bio

## Personal

- ✓ Graduated from Indiana University of Pennsylvania (IUP) in 1975 with a major in Business System Analysis and a minor in Accounting.
- ✓ Been married to a wonderful wife since 2003.
- ✓ Have lived in Pennsylvania for 27 years, California for 14 years and now I'm living in Oregon since 1994.

## Business

- ✓ Started my company, TBS Consultants, in 1984 as sole proprietor which became an LLC in 2006 and has been a Corporation (Steck Enterprises, Inc. / dba TBS Consultants) since 2008. My wife became vice-president and co-owner with me in 2010 and I am the President.
  - Founded in 1984 by myself as a mainframe and data processor consulting firm, I have grown the business with the times. Our services now include network design, creation, and management, managed services, hardware and software, servers (physical and virtual) and workstations, Email hosting, Email security and encryption, Office 365, network security and more. We provide the tools for clients to become self-sustaining with information technology, while simultaneously providing direct support and solutions to any questions they may have. We strive, at every turn, to put the customer first, taking the time necessary to listen to their desires and concerns, offering cost-effective strategies for their ever-growing business needs.

## Racing

- ✓ Started autocrossing in 1994 and since 2001 I have been a Class Champion every year since.
  - I have raced in many events outside of EESCC in California, Washington, Idaho and of course Oregon with my wife.
  - I have also participated in SCCA Regional level Solo and Solo II events.
- ✓ Started doing HillClimbs in 1995 and have set many records in different classes since that time with at least 4 are still standing.
